

IMPORTANT NOTICE FOR MVB CLIENTS

Scheduled Maintenance Notification

Due to upcoming MVB system updates, we expect intermittent downtimes between Friday, September 23 and Sunday, September 25.

Digital banking services (retail and commercial) will be intermittently down during this time. Debit cards will be operating on offline limits between Saturday and Sunday. During this time, withdrawal limits may be lower than normal.

iTalk will remain available; however, all balance and transactional information will not be available as of end of business Friday, September 23.

We apologize for the inconvenience.
